

# Alex P. Michaels Bio

Alex's digital movie "Blood Kiss" had its world premiere at the York Independent Film Festival in at the University of York in England. The digital feature is the first in a series of planned digital features from Prelude2Cinema, the Company Michaels founded. He has studied screenwriting at Stanford University, filmmaking at DeAnza College and acted and directed on the stages of the Karamu House and the Cleveland Public Theater.

Besides being a director and an actor, Alex is an Emmy Winning Writer. He received an Emmy for his TV Movie "[What Angels Fear.](#)" The TV Movie was directed by Award winning director Jim Friedman and starred Adam Lazzare-White ("The Young & the Restless" and "The Temptations" mini-series) and Greg Lauren ("Boogie Nights" and "A Time to Kill"). All four, Michaels, the director and both leading actors, received Emmys.

Michaels is deeply involved in overseeing all production at Prelude2Cinema and maintains its website [www.prelude2cinema.com](http://www.prelude2cinema.com) which has movie clips, and constant new content on the Company's endeavours.

## SMALL BUSINESS

### Grand Openings

**Prelude2Cinema Studio Store**  
2847 Ambler Ave.  
Cleveland 44120  
[www.prelude2cinema.com](http://www.prelude2cinema.com)

This digital movie company creates independent movies and TV programming using talent in Cleveland. The online studio store features unique images with "true indie movie stars." The company also is shooting a pilot for "Out of Darkness," a TV series about a female Latino homicide detective whose body is possessed by a shadow-like creature that devours criminals. Award-winning writer Alex P. Michaels is executive producer and creator.

cling service for empty ink and laser print cartridges for businesses, schools and organizations. Cartridge Recycling Solutions picks up customers' "empties" on a scheduled basis. Customers then are paid for doing nothing more than saving their empty cartridges. Schools and organizations can use the service
